

YOU ARE THE *MOLDING* EXPERTS. WE ARE THE *IMD* SPECIALISTS.

HOW WE HELP

Our printing & In-Mold Decorating (IMD) technologies enable you to decorate during the mold cycle, eliminating post-mold operations.

PARTNER WITH US

Your business is molding plastic parts. We can provide the graphic overlay & support your engineers with guidance on tool design & processing.

PRINTING KNOW-HOW

We use innovative print technologies and world-class quality systems to provide eye-catching, durable graphics.
