

# Serigraph | Durable Vinyl Graphics

Our printed and cut graphics aren't just visually striking—they're engineered to work and play as hard as your products have been designed to.

Capture your team's artwork with custom vinyl graphics, produced using specialized ink solutions tailored to meet your toughest specifications.

A lifetime in direct sunlight, exposure to saltwater, gasoline, ethanol, frequent washing, or harsh detergents—we've seen it all in 75 years.

## Key Features

- Gloss, matte, or a combination of both
- Customized to meet your product's weatherability requirements
- Conventional or UV-cured inks
- Clear or white vinyl substrates
- Back-slit or kiss-cut graphics
- QR codes and part labeling

## Next Steps

- Functional prototypes available
- In-House Pre-Press Engineering Department
